OBAMARELEASE YOURRECORDS ON 10:56 PM

**DUNHAM/OBAMA/SOETORO FOIA UPDATE:** This is in regards to the **recent** partial-dump of Stanley Ann Dunham/Obama/Soetoro's passport records under the FOIA. As previously reported **here**, all pre-1965 passport records for Stanley Ann Dunham(Obama's Mama) were said to be destroyed even though they are required to maintain passport records for 100 years.

Christopher Strunk whom first obtained the Dunham records(after a court order) under the FOIA filed his 'Second Supplement Declaration in Opposition to Defendant's Motion for Summary Judgment to Dismiss' on August 25, 2010. You can view the **first** 'Declaration in Opposition to Defendant's Motion for Summary Judgment to Dismiss' that was filed on August 9, 2010, **here**. The complete second declaration is embedded below.

**Update(9/9):** Who is lying, and who is telling the truth? - WHY ARE THE STATE DEPARTMENT AND GSA SAYING DIFFERENT THINGS ABOUT PASSPORT RECORDS? - continued **here**.

I would say the latter, destroyed by now. He is going to go down as the biggest fraud in history. Does he really think he can hide from this issue forever?

5. That Mr. Richards affidavit and direct investigation with the GSA's Elizabeth Kelley in regards to what GSA controlling authority are to issued directives to DOS is quite clear, GSA has no such authority and that the GSA counsel is discussing the DOS Letter allegation of such directive accordingly; and goes to the DOS fraud upon this Court herein.

SHOCKING, I SAY! LMAO

This might be our best chance at getting the information. Hopefully. God Bless Patriots like Strunk.

So in the 70's the nation was in an uproar because a President that won re-election in a landslide had the audacity to cover up a burglary on his opponent's campaign office, and here we are facing the cover-up of THE CRIME OF THE CENTURY. At least one political party will be decimated by this treason.

It is obvious - we have an usurper in the Oval Office. In January 2011 Darrell Issa should be frog marching this POTUS fraud and his collaborators to the gallows.

Again, his place of birth is a distraction. The issue is, is he a "natural born" citizen? according to historical authorities, to be "natural born" BOTH parents must be full US citizens owing no allegiance to any foreign sovereign. Papa obama was NOT a US citizen.

An independant Declaratory Judgement should be petitioned for that would establishe exactly what the Constitution requires this to be. Leave obama out of the equation.

When such Judgement is rendered, THEN apply its criteria to obama's status.

When should a name on a passport renewal be struck out (5 strike marks across the name Barack Hussein Obama (Soebarkah))?

Read the declartion just above Stanley Ann's signature on her renewal application.

"I have not (and no other person included or to be included in the passport or documentation has), since acquiring United States citizenship, been naturalized as a citizen of a foreign state; taken an oath or made an affirmation or other formal declaration of allegiance to a foreign state; entered or served in the armed forces ...

(If any of the above-mentioned acts or conditions have been performed by or apply to the applicant, or to any person included in the passport or documentation, the portion which applies should be struck out, and a supplementary explanatory statement under oath (or affirmation) by the person to whom the portion is applicable should be attached and made a part of this application.)"

Marked P1, August 13, 1968. Obama renounced his US Citizenship and became Soebarkah, Indonesian National, in 1968.
